Video and Photography

Video and photograph are a legitimate and valuable coaching aid and also help to promote the club.

Photographs sometimes appear in the local press and social media websites which sometimes is out of our control especially during competitions when there could be press, parents and coaches present.

The club adopts the ENGLAND ATHLETICS PHOTOGRAPHIC POLICY GUIDELINES, and these can be viewed on their website.

Important Information

A change in government legislation regarding data protection called The General Data Protection Regulation (GDPR) came into effect in May 2018. As a Club, we, Amber Valley & Erewash A.C. and our national governing body, England Athletics, have to ensure compliance with this legislation. When you (or your child) become a member of our club, or renew your (or your child's) membership, your personal data (or that of your child) is transferred to England Athletics.

When you become a member of, or renew your membership with, Amber Valley & Erewash A.C., you will automatically be registered as a member of England Athletics. The club will provide England Athletics with your Athletics Data* which they will use to enable access to an online portal for you (called MyAthletics) England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings).

It is vital, therefore, that a valid email address is given, so that you can ensure that your data is correct and so that you can set your own privacy settings.

If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, or the Club's privacy policy, please contact dataprotection@englandathletics.org or ask to speak with the relevant person at AVEAC for clarification.

**Athletics Data can be defined as your name, date of birth, gender, URN number, email address, telephone number, names of the England Athletics affiliated clubs that you are a member of and details of any coaching or officiating licenses you hold.*

We ask you on page one of the AVEAC membership form to give a valid email address. You/your child will, from time to time, be contacted directly by email by a club administrator (for example a coach, a team manager, the membership secretary). In the vast majority of cases this will be to communicate news that we think will be of benefit to you/your child. For example, notifying you of AVEAC team selection, county team selection, newsletters and club news, forthcoming competitions, changes to training and so on. The club does not engage in passing on

membership contact details to any other organisation (other than England Athletics) If you have any queries about the Club's procedures, please speak to a registration desk volunteers.

Miscellaneous

Our club operates a website at <http://www.aveac.org.uk/> which is freely viewable to all and a moderated Facebook group which is only accessible by being a club member or the parent/guardian of a member of the club- <https://www.facebook.com/groups/AVEAC/>. We also have Instagram and TikTok accounts.

To become a member of the Facebook group, you will need to answer three membership questions which will include the name of the athlete and his/her URN which is supplied by England Athletics once your membership has been successful.

Once allowed into the group you will be able to see up to date info about the club and athletics in general.

Volunteering

Amber Valley & Erewash Athletic Club is run solely by volunteers. Every volunteer helps in small ways to enable the club to become a success. This is not just coaching; there are many jobs to assist from officiating to administrative tasks.

If you can offer some of your time during a club session, competition or at home please fill in the form below and we will be in touch with you.

I might be able to help!

I am interested in:

(please circle)

- Helping out at a training session
